AGE LIMIT

Anti-Aging & Repair

The combination of **Australian Lime Pearl** and
3D Prolonged Release Matrix

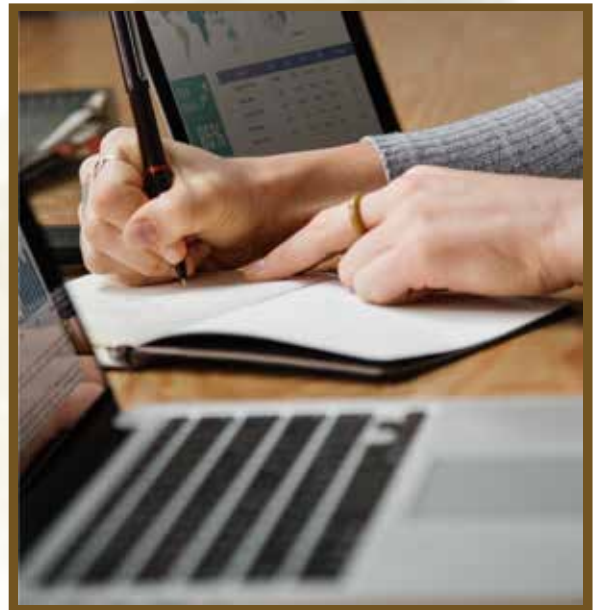

Plant: Australian Lime Pearl[™]

Australian Lime Pearl[™] is an exfoliating agent extracted from caviar lime, a power fruit naturally rich in Alpha Hydroxy Acids (AHAs) that acts as a potent anti-aging force by helping heal damaged skin and effectively reducing wrinkles. Simultaneously, dull skin is revived and gently exfoliated.

Technology: 3D Prolonged Release Matrix

A novel technology consisting of an innovative matrix structure that helps to control and prolong the release of active compounds into the skin for immediate & long-lasting effects.

1. Moisturizing & Balancing Cream Cleanser

Every morning and evening, apply 1-2 pumps to palm and gently massage onto damp face in a circular motion, avoiding the eye area.
Rinse thoroughly with water.

4. Deep Cellular Repair Emulsion

Apply a pearl-sized amount of emulsion to the skin and gently massage upward and outward over entire face and neck in circular motions. Use twice daily for optimal results.

3. Intense Anti-Wrinkle & Firming Serum

Shake well before use. Apply 2 to 3 drops of serum to palm and gently press onto face and neck. Use twice daily for optimal results.

How To Use

2. Biofluid Activating Toner

Shake well before use. Every morning and evening after cleansing, spray toner directly onto skin and gently pat into face for better absorption, avoiding the eye area.
